Mark Hardin bought in the Wayneburg section a bunch of hogs at 41c.

Gray & Bell, of Louisville, have sold their packing mare to an Eastern firm for \$5,000.

It is estimated that from \$350,000 to \$400,000 changed hands on the American Derby.

Louisville sports are said to have dropped \$10,000 on the Eminence in the American Derby.

Dan Peed bought of J. Q. Ward his crop of about 20,000 pounds of tobacco at 10c. — *Bourbon News.*

Six or eight good, young, high-grade Shorthorn milk cows for sale. All fresh. — *Josh Jones, Stanford.*

W. C. Whitney, it is claimed, paid \$50,000 for a two-year-old colt, by Walter Course, dam Marguerite.

The United States produces 755,000,000 pounds of tobacco yearly. One-half this amount is consumed at home.

S. Morgan bought of W. S. McGuire and George Rankin a lot of hogs at 5c. He wants more at the same money.

Beasley Bros. bought of W. A. Tribble a two-year-old horse for \$75 and sold to him a bunch of shoats at 51c.

E. P. Carpenter, of the West End, has a colt by Dignity Dare, for which he has refused \$300. He holds him at \$300.

M. J. Farris sold to Simon Wiehl 85 fat cattle for July delivery at 5c. They will average when delivered 1,500 lbs. — *News.*

Josh Jones sold to J. D. Dalton, of Moreland, 50 barrels of corn at \$2.75 and to E. P. Woods a Jersey cow and calf for \$37.50.

Josh Jones' 90 lambs that he sold to E. P. Woods at 51c, some time ago, topped the Cincinnati market the day they were sold.

Dignity Dare, the splendid saddle stallion owned by D. S. Carpenter, of Hustonville, is making a big season. He has served 70 odd mares.

Brigadier broke the world's record for one mile over a circular track at Sheepshead bay by winning the Sheepshead Bay Handicap easily in 1:37 4/5.

The first bale of this year's cotton crop was from Nueces county, Texas, and it is claimed this breaks the world's record for early cotton by four days.

R. B. Woods, Jr., tells us that he has a colt by Eagle Bird that he is going to worry the boys at the fair with this year. He says it beats the good one he had last year.

In his review of the financial situation Mr. Philip King states that the dullness of the past week was due largely to the desire of great interests to restrict present operations for a later rise.

Robert Waddell, ridden by Ballman, won the American Derby. Terminus was second and The Parader was third. The time was 2:34 1/5, the record for the American Derby. The betting against the winner was 12 to 1.

LANCASTER COURT.—There were only about 75 cattle at the Lancaster stock pens yesterday and very few sold. A mixed lot of steer and heifer calves brought \$13 and some "cow stuff" 21c.

A bunch of hogs sold at 50 and some sows and pigs at \$10 to \$15. There was little or no trading in horses and mules. The crowd was unusually small.

## DOES IT PAY TO BUY CHEAP?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles. "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but always inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize A-maze. For sale at Penny's Drug Store, Stanford.

The Harrodsburg Democrat, W. P. Waitout at the bellows came in on regular time last week, full of spicy editorials and interesting news items. Harrodsburg will now be given an opportunity of becoming acquainted with a real live democratic paper, backed by a gentleman who knows what to say and how to say it. We predict that the people of Mercer county will soon learn the value of the Democrat and will support it liberally. — *Adair News.*

Fourth of July Rates.—Low rates via the Queen & Crescent route from all points on account of Fourth of July. Tickets valid July 2nd, 3rd, 4th, and good returning until the 5th. Ask ticket agents for particulars.

A lame shoulder is usually caused by rheumatism of the muscles, and can be cured by a few applications of Chamberlain's Pain Balm. For sale by Craig & Hocker, Druggists.

## Crab Orchard.

Mrs. Dr. Burdette, of Brodhead, visited her parents, Mr. and Mrs. D. C. Payne, this week.

There is a vast amount of lumber and a large number of fine telephone poles at the lumber yard awaiting shipment.

The Southern Military Band of Crab Orchard will furnish the music for the picnic to be given by the Maccabees at Wayneburg on the 29th. A gala day is anticipated.

Mr. Bowman Smith, of Curbish, came down Saturday and remained until Monday with his family. Mrs. Dr. Carpenter, Miss Terle and Mrs. Dr. Black spent Sunday with Mrs. M. E. Fish and daughter.

The ice cream and strawberry supper given by the ladies of the Baptist church was a very pleasant occasion and a handsome little sum was realized. A praiseworthy effort is being made by the ladies of both Baptist and Christian churches to repair and modernize their church buildings.

Harry McGee, of Livingston, is visiting his mother for a brief period. Mrs. Hannah Withoyte, of Woodford, and Mrs. Cora Gaines, of Lancaster, are with Mrs. Wm. Stewart. Miss Isabel Ross, of McKinney, made a short visit to friends here Sunday. Uncle Charlie Redd continues very feeble.

Misses Georgia and Katie King returned from a visit to Parkville and Junction City. Eld G. W. Shepherd left yesterday for a short visit to Louisville. Mr. Dave Purdon and wife, of Mt. Vernon, were visitors of Miss Fannie Langford. Mr. James Collier, of Mt. Vernon, is a guest of Mr. John Dameron.

Mrs. Amanda Roberts departed this life last Thursday at the extreme old age of 92. She, "sustained and southeared by unflinching trust, approached her grave like one who wraps the drapery of her couch and lies down to pleasant dreams." An appropriate service at her grave was conducted by Eld. J. G. Livingston.

Mr. Joe Carson and family, of Louisville, are sojourning with Mrs. Sarah Brooks and daughter. Mrs. John Carson, of Alabama, is visiting her sister, Mrs. David Holman. Miss Jean Buchanan returned Friday from a pleasant visit to her sister, Mrs. A. Addams, at Lebanon. Mrs. John Haldeman, of Louisville, is spending a few days with her mother, Mrs. John Buchanan. Mrs. Dr. Dick and children returned Friday from a protracted stay in Rockford, Ill.

Crab Orchard has been quite gay during the past week. About 200 phar-macists and other prominent persons gathered at the Springs Hotel and all went "merry as a marriage bell" for several days. There was a sound of revelry by night as well as by day. Their program was varied and entertaining, consisting of a business period and then games and contests of an interesting nature. Many handsome prizes were awarded the victors. Mr. and Mrs. J. B. Willis were equal to the occasion and left nothing undone for the comfort of their visitors. Guests arrive now on every train and an unusually prosperous season is anticipated for this deservedly popular resort.

## IN MEMORIAM.

Dr. Edward M. Estes departed this life June 19th, 1901. We are doing nothing out of the ordinary when we pay a tribute to the memory of a deceased brother. The ancient Greeks and Romans were wont to gather about their fallen heroes and recount their virtues and the trophies they had won. Memorials in brass and marble, in undying verse and imperishable utterances have come down through all ages to inspire the ambition of youth and stir the pulse of manhood. It is indeed fitting that we should pause a brief moment, amid the absorbing cares of daily life, and mark the footprints of those who have attained a worthy prominence among men; and while we weave a garland of flowers to deck the graves of our friends who have gone from among us, the lesson of our mortality and the duties we owe to each other and our families.

MASONIC HALL, McKinney, Ky. WHEREAS, The Grand Architect of the Universe has seen cause in His infinite wisdom to remove from this hallowed hall Bro. Edward M. Estes, we bow in humble submission to the will of Him who doeth all things well; and while we, his brethren, mourn his loss and untimely death, and our faith is strengthened in the hope of a glorious immortality, therefore, be it

RESOLVED, That this lodge be draped in mourning and its members wear the usual badge of mourning for 30 days.

2. That we, the brethren of this lodge, tender our sincerest sympathy to the widow and orphans of our deceased brother; and point them to Him who watches over Israel.

3. That a copy of these resolutions be spread on the minutes of the lodge, and copies of same be sent to the widow and relatives of the deceased.

W. L. LOWDER, MOSES COFFEY, Committee. F. M. WARE.

What most people want is something mild and gentle, when in need of a physic. Chamberlain's Stomach and Liver Tablets fill the bill to a dot. They are easy to take and pleasant in effect. For sale by Craig & Hocker, Druggists.

LOW RATES.—The L. & N. will sell round-trip tickets at 14 fares to any station on its lines July 2, 3, 4; good returning July 5, on account of 4th of July.

## Hartwell, Casey County.

Miss Bettle King has been quite sick for the past few days.

The Casey county teachers' institute will meet July 8 for a 10-days' session. George King has returned from a business trip to the Cumberland Mountains.

Frank Russell, wife and daughter, of Lincoln, are visiting Cui. Robert Latham this week.

Humphrey Bros. bought recently from a Cincinnati, O. firm one of the famous O. I. C. hogs.

P. Barton has the sympathy of the entire community, having lost both father and mother in the last few weeks.

Many of the boys who have served their country so valiantly in the Philippines, have returned to their homes to this locality.

The grocery drummers and fishermen are as thick on the roads in Casey county as a concourse of fiddlers on their way to Heaven.

James Cheff, the hustling saw mill man, has returned from the mountains to be with his family, now quartered at his father's, Perry Cheff.

M. K. Humphrey can not be found even for business transactions. But 'tis written he shall leave father and mother (and business) and cleave unto his wife.

I. C. Brown has five teams hauling his lumber from Morse's mill to Danville. A. Humphrey and wife were in Stanford recently to consult Dr. R. A. Jones.

The petite young matron, Mrs. C. R. Carson, is taking music and will soon entertain her family and friends with choice selections at her elegant home on Green River.

The Sunday school recently organized at Carpenter's Creek Schoolhouse, is prospering, having a regular attendance of nearly 100. The enterprise should be encouraged as a step in the right direction.

Mrs. J. H. Simpson, one of Lancaster's handsomest ladies, visited her sister, Mrs. I. C. Brown, last week. Miss Catherine Wilcher, of Stanford, is visiting her uncle, William Myers, Sr., and family.

Eld. J. H. Newel scarcely removes his gloves at meal time. Having gone unscathed through two matrimonial ventures, he will not be handicapped by brown hands should a third present itself. But "The best laid plans of mice and men gang aft agley."

At a late hour Tuesday night the house of George Davis burned with most of its contents. Cause of the fire is not known unless it caught from a defective flue, in which there had been a fire early in the evening, because of the ill health of Mrs. Davis. It was insured in the Kentucky Central Fire Insurance Co.

Aunt Catherine Riggins, of Phil, visited her sons, J. W. and William Riggins, this week. Miss Julia Latham has returned from a visit to her sister, Mrs. Frank Russell, of Lincoln. John Wheat's pride is out of proportion to the gravity of the offense. He is papa to a fine girl, but is doing very nicely at this writing.

## HIS LIFE SAVED BY CHAMBER-LAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY

"I am sure that Chamberlain's Colic, Cholera and Diarrhoea Remedy at one time saved my life," says A. E. Laflette, of Gregory Landing, Clark county, Missouri. "I was in such bad shape that the doctors said I could not live. When I was in the lowest ebb, one of my neighbors brought in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and I took it and got instant relief. I soon got up and around. That was nine years ago and I am still in good health. Since then that medicine has always been in my house and always will be. It is the best on earth." For sale by Craig & Hocker, Druggists.

The L. & N. will sell round-trip tickets to Detroit, Mich., at one-third-class fare, plus \$2 membership fee, account National Educational Association, July 5, 6, 7, good till 12. By depositing tickets with joint agent at Detroit on or before July 12th and on payment of a fee of 20 cents at time of deposit, an extension of final limit will be permitted to September 1st, inclusive.

Our Jo John Yerkes may be, as one of his "subs" insists, the logical candidate for vice president in 1904, but sophistry cuts more lee than logic in the selection of the off horse at our quadrennial races. — *Lou. Limes.*

Kentucky Chautauqua, Lexington, June 25 to July 5. Low rates, Will-Hamilton to Junction City, good to return until July 5th. Ask ticket agents for particulars. W. C. Rineason, G. P. A.

"You can tell your readers that the fly has literally ruined my wheat crop," said Clever Tom Best, of the West End, to us the other day.

A postoffice has been established at Ashton, Whitley county, with G. W. Lovett, postmaster.

MISS THEO HEMPHILL, OF LANCASTER, who won first honors in the contest here Friday night.

## LANCASTER.

Born, to the wife of Ben Pollard, of the Flatwood vicinity, a girl—Sarah Elizabeth.

Miss Eliza Lusk had 12 applicants for teachers' certificates and one for a State certificate, at her examination last week.

Mr. Kilgore, of Glasgow, and Miss Fannie, the pretty daughter of John Parks, of Paint Lick, will be married this morning.

Our base ball boys went over to Crab Orchard Thursday and the game played there resulted in a score of 12 to 4 in favor of Crab Orchard.

A telegram from St. Louis tells of the critical illness of Charles W. Frisbie, formerly of this place. His mother, Mrs. Mattie Frisbie, and brother, Fred Frisbie, left at once for his bedside.

D. N. Prewitt shipped a car of sheep to Greene & Embury at Cincinnati Friday. Sweeney Morgan shipped a car of hogs to W. R. Crawford, of Cincinnati. Lawson & Fox shipped a car of sheep to same party Tuesday.

The illustrated lecture given at the Christian church Thursday evening was a success in every particular and a neat little sum of about \$40 was realized. The pictures shown throughout the entertainment were very good and a large crowd was present.

The baptizing at Dix River on Thursday afternoon was witnessed by a large crowd. Rev. A. R. Moore performed his duties in an impressive manner, as he always does. Prof. Wilson, accompanied by a few other good singers, rendered "Nearer, My God, to Thee" in a most creditable way.

Miss Virginia Worrell, of Flatwood, has been visiting friends here. Miss Worrell, who is one of the best teachers in the county, has been employed as instructor in the public school at Crab Orchard. Editor Louis Landrum, of the Central Record, went over to Crab Orchard last week while the State Pharmaceutical Association was there.

W. L. Spence, a typewriter salesman of Lexington, was in town several days. Master Richard Anderson spent several days at Dripping Springs. Miss Margaret Shogars left Saturday to visit friends in Louisville. Miss Nor-mule Elmore is visiting in Nicholasville. Mrs. George Lewis and mother are visiting in Louisville. Medames Henry Ward and Wm. Champ, of Paint Lick, visited here last week. Miss Nelle Bourne, of Bryantsville, spent last week with Miss Lillie Warner, at McCreary. Mrs. R. Zimmer has gone to Louisville to visit her daughter, Miss Elsie Zimmer, who has been there for some weeks. Miss Amanda Estes left Saturday to visit her brother, Frank Estes, at Kirksville.

Our town was represented in the 7th Annual Blue Grass Elocutionary Contest by Miss Theo, the beautiful and accomplished daughter of Judge James C. Hemphill. She acquitted herself creditably, winning first prize in her selection, "Soldier's Joy," in which she was accompanied by Mrs. Belle Burnside, on the piano, and Miss Willie Belle Burnside, on the violin. We are justly proud of the success of our entry, as she is only 14 years of age and this was her second attempt to speak in public. Her grace and ease were remarked upon by all, and the vote for her was unanimous. She is not only an elocutionist of much promise, but is also a talented musician. We predict for her a great future. Miss Hemphill comes of one of the oldest families in Kentucky, the members of which are well-known for their beauty, grace and intelligence. Being of such a wide-awake disposition, she will naturally reap great benefit from her trip to Buffalo, Niagara Falls and other points of interest, which has been promised her by her indulgent father as a reward for her efforts, and upon which she will be accompanied by her father, Dr. Kinnaird and daughter, Miss Angie. Those who went over from here were: Misses Harris, Marie Joseph, Nelle Johnson, Allie Arnold, Bessie Batson, Berda Hilton, Mattie Robinson, Willie Belle Burnside, George Henry; Messrs. John Lair, Ware McRoberts, Basco Miller, Jake Joseph, Louis Herndon, Will West, Wm. Ball, R. H. Batson, Bright Jennings, H. H. Hommel, Henry Bastin; Dr. and Mrs. Walter Beasley, Judge J. C. Hemphill and wife, and Mrs. Belle Burnside. All say the contest was perfectly gotten up and compliment the managers of the affair very much.

## THE INTERIOR JOURNAL

E. C. WALTON.

THE republican and assassination press are making a great ado because the constitutional convention of Virginia refused to consider a resolution introduced by Delegate Cox inviting the Hon. W. J. Bryan to address the convention upon his approaching visit to Richmond. These papers don't seem to know that the convention was called to revise and improve the constitution of the mother State rather than to give the members an opportunity to hear oratory. We see no "slap at Bryan" as the dirty Louisville Post heads a paragraph about the business.

AFTER six months of married life, Ezekiah Griffin and wife, of Henderson, have agreed to disagree. He is 60 and she 30 and as the marriage was the result of a newspaper advertisement friends of the pair are not surprised at the sudden wind-up of their conjugal life. Old fellows, who marry young women, who show their desire to "get a man" by advertising for one, generally get the hot end of the game, which in nine cases out of ten is what they deserve.

THE Elkton Progress prints a three-column picture and a four-column write-up of Hon. James B. McCreary, who will be a U. S. Senator soon after the next Legislature convenes. It is the best of reading and is proof of two things, viz: that Brer Gaines knows what to put in his paper and that the model governor and congressman has strength under the nose of one of his strongest competitors for a seat in the Senate.

A BARREL of whisky exploded on a Vandalia train near Logansport, Ind., killing one brakeman and seriously wounding two others. That was a case where whisky got in its work more quickly than it usually does. Nobody denies that whisky will kill, but it generally adopts the slow process of doing so.

IT is hardly worth either the space or the time it takes to tell it, but Emmett Orr, of Owen, is another of those individuals, by courtesy called man, who has deserted the democratic party because he couldn't run it. He wants a job under Traitor Steve Sharp.

THE Middlesboro News thinks like the most of us that it is "rot" to talk about Yerkes for president. Brer Albrecht seems to have sized up the Boyle county man pretty well.

A SPECIAL from Burgin says there is not a prisoner in the Mercer county jail. They have evidently had a recent jail delivery in that wicked county.

THE republican court of appeals having refused to grant the petition of Caleb Powers' attorneys for a modification of its opinion reversing the verdict of the Scott circuit court, his sweet-scented counsel will have to cut and come again. Those purporting to believe that Powers is innocent and that he has been persecuted, rather than prosecuted, are also furnished food for thought by the opinion.

We deeply sympathize with Editor Green R. Keller, of the Carlisle Mercury, in the loss of his wife, who died suddenly of apoplexy.

## POLITICAL.

The Kansas democrats have refused to join the populists in the formation of a fusion party.

Dr. A. D. James was reappointed United States Marshal for the Western district of Kentucky.

W. B. Smith has been appointed postmaster at Mt. Vernon, vice Mrs. E. Baker, "removed," a dispatch says.

There are 113 democratic candidates for the 41 salaried offices in Jefferson county. A primary will be held July 9.

Senator John W. Daniel was made chairman of the Suffrage Committee of the Virginia Constitutional Convention.

Senator Deboe is being denounced by the Eastern papers for his fight against Mrs. Sanders, the postmaster of New Castle.

On the recommendation of Representative Borelog, M. Ray Yarberry, of Columbia, will be appointed to a \$1,200 position in the House of Representatives.

Now that Dowle claims to be Elijah, the republicans should consult him in regard to "destiny." They have felt the need of some more recent authority than the Bible.—Commoner.

The distillery of John B. Thompson at Harrodsburg will close down about July 1, by which time it will have made 4,000 barrels this run. The mash is 500 bushels of corn a day.

The court of appeals has granted Doc Lowry a new trial, reversing the Madison circuit court. Lowry was indicted for rape and upon conviction sentenced to 20 years in the penitentiary.

Lightning struck a large stock barn on Chlen & Forsythe's farm near Harrodsburg and killed a fine thoroughbred imported Wagner mare, valued at \$1,000. The animal belonged to W. D. Moore, of Boyle.

Dan Edwards, formerly of the Richmond police force, stabbed Brutus Winkler in Anse Harris' saloon at Richmond, inflicting a dozen ugly wounds, which may prove fatal. In the melee Edwards was struck on the head with a beer bottle and knocked senseless.

Emmett Quinn and John Renner were fined \$5 and the costs for failing to work the county roads. S. H. Martin was appointed administrator of the estate of H. G. Sutton. Squire John Elder told us that he had about completed his arrangements to leave this county and go to Lincoln.—Mt. Vernon Signal.
